DOCKET NO. 1995-1192-E - ORDER NO. 2007-591  
AUGUST 23, 2007

IN RE: Proceeding for Approval of PURPA Avoided ) ORDER APPROVING  
Cost Rates for Electric Companies ) REVISED SCHEDULE PP  
 ) (SC)

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Petition of Duke Energy Carolinas, LLC (“Duke”) for approval of its Revised Schedule PP (SC). The Revised Schedule PP (SC) has been updated to reflect Duke’s current avoided cost projections. Under this revised tariff, customers entering into new purchased power contracts with Duke will have the option of a fixed or variable rate. As such, the Commission finds that the Revised Schedule PP (SC) is in the public interest and therefore approved. This revised tariff is put into place without notice or hearing, pursuant to S.C. Code Ann. § 58-27-870(F), since it will not result in a rate increase to the electric utility. Duke shall file ten (10) copies of the new tariff with the Commission and the South Carolina Office of Regulatory Staff within ten (10) days of receipt of this order.

This Order shall remain in full force and effect until further order of the Commission.
